Experience

- ➢ **2022: Website Development**
  I was asked to create a website to advertise a business that sells bread and accepts donations.

  Link to website: https://the.breadboxkitchen.com/index.html

- ➢ **2024 – Present: Invoice and Website Development**
  Each month I complete invoices for my grandmother's extra teaching classes. Additionally, I also created a website to promote her business.
  Link to website: https://zoe-heyneke.github.io/prt_website/index.html

- ➢ **2024: CodSoft Internship**
  I completed a 4-week internship, focusing and strengthening my knowledge of HTML, CSS, and JavaScript.

- ➢ **IT Society – Social Media**
  I am a member of IIE MSA's IT Society, where I manage social media, documenting events, and attracting fellow IT students to participate in our activities.

- ➢ **2024 – Present: Part-Time Tutor**
  In April 2024, I joined Tutor Doctor Roodepoort as a part-time tutor, a job I continue to hold. This position enhances my communication and teaching skills whilst supporting students with their academic goals.

- ➢ **2025 – Class Representative (School of Computer Science at IIE MSA)**
  I am the bridge between students and lecturers, ensuring that communication is delivered to all students. I make sure student queries and concerns are taken care of.

Hobbies

When I am not in front of the computer, you will find me on the Golf Course. My favourite thing to do is to play golf. I have competed in the following competitions:

- o GNGU Womens Bronze Championship at Silver Lakes Country Club (2018)
  3rd out of 15
- o Gauteng North Womens Open Championship (2019)
  39th out of 48 overall
